What If Jesus

Rex Allchurch, Chris DuPre

```
A/C#    D       Bm              A
What if Je-sus   walked into the room
A/C#        D       Bm              A
Arms wide op-en    eyes fixed on you
```

Pre:
```
F#m         E/G#        A
Holes in his hands and feet
F#m      E/G#      A
Voice so soft and sweet
```

Chorus:
```
                    D                       A/C#
And all that I can do, is say that 'I love You'
                        D                   A/C#    D    Bm  A
Oh all that I can do, is say that 'I love You'
```

Verse 2:
What if we were standing face to face
Knowing all my sin had been replaced

Bridge:
```
                    D                       A/C#
And I race to find the words, But You get there first
                D                   A/C#
Saying 'I love you', saying 'I love you'
```
(repeat)

```

Hallelu - jah
```
(repeat)
